That only a Fool Could Leave.

But we tasted forbidden wine

D7.....G.....G(E..bass) .C..C/B...Am7
Though I loved the ground she walked upon .

D7.....G
I could never have made her mine

The Swallows Fly all along the canal and I watch with a heavy heart.
In Dizzy spins they dive and wheel
touch wings and then depart.
Touch wings and then depart.
As the summer fades away.
Though I loved the ground she walked upon
I knew that I could not stay.

The Swallow is a summer child and she flies before the cold.
Though I loved the ground she walked upon
She was not mine to hold.
She was not mine to hold.
But it was easy to pretend.
Though I loved the ground She walked upon.
A Summer has to end
A summer has to end..
