

Communicate
The Dunwells

[Intro]

E A

[Verse]

E

It s been a long time

A

Since I left you there

E

A

I still feel the cold hands in mine

E

C#m

And there were good times we will leave them there

E

A

Course the warmth of these hands of mine

E

B

I said let don t go

E

I said let don t go

[Chorus]

A

We were always on the run

E

We waited for this moment just communicate

A

We took this all for granted

Should we leave this where we walked

E

Just communicate

E A

[Verse]

E

Now there were good times

A

We just left them there

E

A

Would have felt your hand slip from mine

E

It s been a long time coming

B

Should we leave it there

A

E

Or prove that we could fight

[Chorus]

A

We were always on the run

We waited for this moment

E

Just communicate

A

We took this all for granted

Should we leave it where we walked

E

Please communicate

A

B

I said let don t go

A

E

I said let don t go

A

B

I said let don t go

A

E

I said let don t go

A

We were always on the run

We waited for this moment

E

Just communicate

A

We took this all for granted

Should we leave this where we walked

E

Please communicate

A

We were always on the run

E

We waited for this moment it will be okay

A

We took this all for granted

Should we leave this where we walked

E

Please communicate

E

A

I should let you go, you should let me now

E

A

I should let you go, you should let me now

E

A

I should let you go, you should let me now

E

I should let you go, you should let me now

A

E

I should let you go, you should let me now
