these chords are 100% accurate

Intro: **F Am G** x2

Verse:

**F Am G**  
I would climb these trees if you would let me in  
**F Am G**  
But I burnt those bridges and the heated all burns from within  
**F Am G**  
My mind says its your arms that wrap around him  
**F Am G**  
And the flow of lust is all that pulls if you re happy with him  
Chorus:

**F E Bm C**  
When you ask me if i ll be alright to pick you up from the alleyway  
**F E Bm C**  
And you ask me if ill feel alright If I pick you up in this teary state

Verse:

**F Am G**  
You open the door and I follow you in  
**F Am G**  
The shock of light is all that stops eyes from speaking  
**F Am G**  
I kiss your lips and theres a taste so clean  
**F Am G**  
Is it true that everyone knows the taste of a kiss with a tear

Chorus:

**F E Bm C**  
When you ask am if i ll be alright to pick you up from the alleyway  
**F E Bm C**  
And you ask me if ill feel alright If I pick you up in this teary state

**F G Bm**  
When you re wrong you re wrong, when you re right you re right  
**C**  
And nothing means everything to us tonight
