

Art And The Architecture
The Eagle and Child

[Intro]

G#m Bmaj7 C#m7 G#m

[Verse 1]

G#m Bmaj7
Out of Your love You fashioned me
C#m7 G#m
And You know who I am
G#m Bmaj7
Your orchestrations perfectly
C#m7 G#m
Conceived before time began
G#m Bmaj7
Though Iâ€™m inclined to be the one
C#m7 G#m
who sits in the shade I need the sun

[Chorus]

B E
You are the art and the architecture
G#m
You form my heart and you breath my soul
C#m7 E
You are the heart with the perfect texture
B
Youâ€™re everything Youâ€™ve given us love

[Verse 2]

G#m Bmaj7
You pour Your love on tiny things
C#m7 G#m
With heart and with Your hands
G#m Bmaj7
You are the reason I can see
C#m7 G#m
Eternity in Your land
G#m Bmaj7
Your love has cracked these hardened walls
C#m7 G#m
Open my eyes I want to see it all

[Chorus]

B E
You are the art and the architecture

You form my heart and you breath my soul

You are the heart with the perfect texture
