

**Art And The Architecture**  
**The Eagle and Child**

[Intro]

**G#m Bmaj7 C#m7 G#m**

[Verse 1]

**G#m Bmaj7**  
Out of Your love You fashioned me  
**C#m7 G#m**  
And You know who I am  
**G#m Bmaj7**  
Your orchestrations perfectly  
**C#m7 G#m**  
Conceived before time began  
**G#m Bmaj7**  
Though Iâ€™m inclined to be the one  
**C#m7 G#m**  
who sits in the shade I need the sun

[Chorus]

**B E**  
You are the art and the architecture  
**G#m**  
You form my heart and you breath my soul  
**C#m7 E**  
You are the heart with the perfect texture  
**B**  
Youâ€™re everything Youâ€™ve given us love

[Verse 2]

**G#m Bmaj7**  
You pour Your love on tiny things  
**C#m7 G#m**  
With heart and with Your hands  
**G#m Bmaj7**  
You are the reason I can see  
**C#m7 G#m**  
Eternity in Your land  
**G#m Bmaj7**  
Your love has cracked these hardened walls  
**C#m7 G#m**  
Open my eyes I want to see it all

[Chorus]

**B E**  
You are the art and the architecture  
**G#m**  
You form my heart and you breath my soul  
**C#m7 E**

You are the heart with the perfect texture
