

A Stain On The Carpet
The Early November

A Stain On The Carpet
Capo 4

These are not the same notes as the song, but it sounds the best on acoustic.

Verse 1

G/B **C**
It s been a long night drinking whiskey
 Em7 **D** **C**
And I don t drink, so my head is turned around
 G/B **C**
After a long flight to another city
 Em7 **D** **C**
I can t think because my head is off the ground
 G/B **C**
And that night came falling down

Chorus

G **C** **G** **C**
I spilled red wine on the carpet, letting it sink in deep for days
 Em7 **C** **G** **C**
So if you ever fall into dementia, it won t let you forget
Em7 **D** **C**

Verse 2

G/B **C**
I spent a long time swimming to depression
 Em7 **D/F#** **D** **C**
It s a place that will never leave my hand
 G/B **C**
Never a hard time, more like motivation
 Em7 **D/F#** **D** **C**
Now I blink, take a breath and climb the stairs
 G/B **C**
And that night gets lost in air

Chorus

G **C** **G** **C**
I spilled red wine on the carpet, letting it sink in deep for days
 Em7 **C** **G** **C**
So if you ever fall into dementia, it won t let you forget
