Album: Truth, Soul, Rock & Roll
Song: First Day
Tuning: Standard
Strum: I just made this one up because it fit: DUUDUDU

C **G**
All I want is someone real.
Am **F**
Someone to hold a candle with me, let the night fires burn.
C **G**
It s not what I choose, it s what I feel.
Am **F**
And if we don t see eye to eye, you go your way, I ll go mine.
C
And that s alright.

Chorus:

Am **F** **C** **G**
So raise the glass and look right past the time you ve thrown away.
Am **F** **C** **G**
The tragedies and enemies, the debts you ll never pay.
Am **F** **C** **G**
Understand its in your hand to turn the other way,
C **G** **C**
And make tomorrow the first day.

A person s love. A starry night.
All wonderful, but none as grand as the man who chooses life.
And we compete in word and deed.
You think we d learn by now that s not what people need,
But that s our style.

I haven t figured out the bridge yet, but if anyone happens to... here s my
