Intro

B F F# D# F#

The morning after the revolution
PC1525 told me there was no real solution
Bruised ribs and a ripped up jacket
Money all in the road
Some blonde with a big fat mouth screaming while Iâ€™m on my way home

F

Weâ€™ve gotta get out the city

F#

Weâ€™ve gotta get out the way

D#

Weâ€™ve got cash in the kitty

F#

Weâ€™ve gotta get on a plane x2

gotta get on, gotta get on

F

Thereâ€™s no time for tears

F#

When you live in the real world

F

Thereâ€™s no time for tears

F#

When you live in the real world

Getting back to an empty flat
Head thumping even more
Screwed up wrappers from a takeaway dinner
Scattered all over the floor
This isnâ€™t glamorous
Itâ€™s not rock and roll
This is England on a Saturday night
This is a nationâ€™s soul

Weâ€™ve gotta get out the city

Weâ€™ve gotta get out the way
Weâ€™ve got cash in the kitty
Weâ€™ve gotta get on a plane
Gotta get on

Thereâ€™s no time for tears
When you live in the real world
Thereâ€™s no time for tears
When you live in the real world

Thereâ€™s no time for tears
When you live in the real world
Thereâ€™s no time for tears
When you live in the real world
