Bm **C**
spend your days in smokey rooms where

It never happens to people like us you know
Bm **C**
Nothing ever happens on its own

And the toilet smells of desperation
Bm **C**
While the streets all echo of aggrovation
C **D**
you wonder why you can't get no sleep when you've got
Bm **C**
Nothing to do and you've got nothing to eat
C **C**
Your lifes slipping and sliding right out of view and theres absolutely
D
nothing that you can do well...

G **D** **C** **D**
We'll live and die, we'll live and die in these towns

verse 2
=====

Dirty dishes from a TV meal,
that went cold from the wind,
through a smashed out window,
you can't go out if anybody calls ya,
cos you can't have a bath,
when theres no hot water,
and your friends are out on the town again,
and you ask yourself if it'll ever end,
And its all to much for your head to take
its just a matter of time before you break well..

Chorus

Am **Bm** **C**

Well noooooooooooooooooooooow

Am **Bm** **C**

Well noooooooooooooooooooooow

Chorus
