

**Youre Not Alone**  
**The Enemy**

INTRO

**G C-EM**

VERSE 1

**G**                    **Em**                    **C**  
Don t let the sun go down on our empire,  
         **G**                    **D**  
It s too much to waste,  
**G**                    **Em**                    **C**  
And don t let the walls come down round our empire,  
         **G**                    **D**  
It s too much to wave goodbye.

PRE CHORUS

**C**                    **G**  
We ve been working for a long time with it,  
**C**                    **G**  
Fighting for a way,  
**C**                    **G**  
Now in the streets men stand in lines,  
         **Em**                    **D**  
They re all wasted anyway.

**C**                    **G**  
You live in an incestuous world,  
         **C**                    **G**  
Where your conscience holds no weight,  
**C**                    **G**  
You sold us down the river like rats,  
         **Em**                    **D**  
Then you drowned and beat the brave.

CHORUS

**C**  
Your not alone, you know,  
**G**  
Your not alone, you know,  
**Em**                    **D**  
Your not alone at all.

**C**  
Your not alone, you know,  
**G**  
Your not alone, you know,  
**Em**                    **D**  
Your not alone at all.

G C-Em x 2

VERSE 2

G                    Em                    C  
Don t let the sun go down on our empire,  
          G                    D  
Its too much to waste,  
G                    Em                    C  
And don t let the rains comes come down on our empire,  
          G                    D  
Its too much to wash away.

PRE CHORUS

C                    G  
We ve been working for a long time with it,  
C                    G  
Fighting for a way,  
C                    G  
Now in the streets men stand in lines,  
          Em                    D  
They re all wasted anyway.

C                    G  
You live in an incestuous world,  
          C                    G  
Where your conscience holds no weight,  
C                    G  
You sold us down the river like rats,  
          Em                    D  
Then you drowned and beat the brave.

CHORUS

C  
Your not alone, you know,  
G  
Your not alone, you know,  
Em                    D  
Your not alone at all.

C  
Your not alone, you know,  
G  
Your not alone, you know,  
Em                    D  
Your not alone at all.

BRIDGE

C                    G  
Theres just to many dreams in this wasteland,  
          Em                    D

For you to leave us all behind.

**C**

**G**

Theres just to many dreams in this wasteland,

**Em**

**D**

For you to leave us all behind.

CHORUS

**C**

Your not alone, you know,

**G**

Your not alone, you know,

**Em**

**D**

Your not alone at all.

**C**

Your not alone, you know,

**G**

Your not alone, you know,

**Em**

**D**

Your not alone at all.
