

Black air and seven seas and rotten through

But what can you do?

I don't know how I'm meant to act with you lot

Sometimes I don't try

I just now, now, now, now ,now

[Chorus]

**C**

Sooner or later

**G**

**F**

Your legs give way, you hit the ground

**C**

Save it for later

**G**

**F**

Don t run away and let me down

**C**

Sooner or later

**G**

**F**

You hit the deck, you get found out

**C**

Save it for later

**G**

**F**

Don t run away and let me down

**C**

**G**

**F**

You let me down

[Verse]

Two dozen other stupid reasons

Why we should suffer for this

Don t bother trying to explain them

Just hold my hand while I come

To a decision on it

[Chorus]

**C**

Sooner or later

**G**

**F**

Your legs give way, you hit the ground

**C**

Save it for later

**G**

**F**

Don t run away and let me down

**C**

Sooner or later

**G**

**F**

You hit the deck, you get found out

**C**

Save it for later

**G**

**F**

Don't run away and let me down

**C**

**G**

**F**

You let me down
