Capo on 2nd Fret

[Verse 1]

**D** **G**  
Who knows why we do the things we do?  
**Em7** **A7**  
Or why I chose to run away from you?  
**D** **G**  
But this big city s seen the last of me  
**Em7** **A7** **Em7** **A7**  
And I ll be there. Darlin , I ll be there.

[Chorus]

**D** **G**  
I ll be there Christmas Eve  
**Em7** **A7** **G** **D**  
Darlin don t stop believing  
**D**  
Don t give up hope  
**G** **Em**  
Don t lose faith in me  
**Em7** **A7** **D**  
Cause I ll be there Christmas Eve.

[Verse 2]

**D** **G**  
Years can rush like waves upon a shore  
**Em7** **A7**  
And weave a weary pathway to your door  
**D** **G**  
Have all of our tomorrows come and gone  
**Em7** **A7** **Em7** **A7** **D**  
Like evening sunlight and stars before the dawn? Can we move on?

[Chorus]

**D** **G**  
I ll be there Christmas Eve  
**Em7** **A7** **G** **D**  
Darlin don t stop believing  
**D**  
Don t give up hope  
**G**  
Don t lose faith in me  
**Em7** **A7** **D**

Cause I ll be there Christmas Eve.
