

A Very Special Song For A Very Special Young Lady Part 2 The Ergs!

This is based on the Acoustic LP version but as far as I m aware the Dorkrockcorkrod version is the same.

B **A**
So wonâ€™t you come along with me tonight?

E **F#**
Thereâ€™s this feeling in my brain that i just canâ€™t shake and

B **A**
I know with you iâ€™ll be alright

E **F#**
so come on come on come on come on

B
I couldnâ€™t help falling

A **F#**
And your smile, it didnâ€™t help matters

E **B**
And i love you more than i could say

G#m **E**
And probably more than youâ€™d ever wanna hear anyway

B **F#**
But iâ€™m sure you get that an awful lot

So wonâ€™t you come along with me tonight
â€™cause iâ€™m sick of losing sleep over losing you and
I know with you iâ€™ll be alright
so come on come on come on come on

I couldnâ€™t help falling
And your smile, it didnâ€™t help matters

And i love you more than i could say
And probably more than youâ€™d ever wanna hear anyway
But iâ€™m sure you get that an awful lot
And i miss you more than you could know
And no matter how i try i just canâ€™t let it go
Iâ€™m hoping you feel the same way, probably not
