

A Woman And A Man
The Everly Brothers

A Woman and a Man

A E A D E A
Oh come with me, take me by the hand
A E A D E A
Walk with me on the golden sand
D A D G A D
Let the stars light the loving fire
A E A D E A
Weâ€™ve the right to ask what we desire

Dreams come true when two hearts agree
So say the words that you belong to me
Ask not why, we need not understand
Weâ€™re heart to heart, a woman and a man

Bm D E A E D
Some sweet day when our dreams grow old
Bm D E A G D
Some sweet day when the nights are cold
G Em C G D
I pray I have you to hold

Oh come with me, place your hand in mine
Let it be there throughout all time
Ask, ask not why, we need not understand
Weâ€™re heart to heart, a woman and a man
