

Asleep

The Everly Brothers

G7 **Gm**
Asleep oh please let me fall asleep
F **C**
It s like heaven when I sleep until morning I forget her
G7 **Gm**
I lie awake in my lonely bed in a room without a light
F **C**
Tryin hard to find a dream that gets me through the night
G7 **Gm**
But sleep won t come it s never there since you re no longer mine
F **C** **D7**
And sleep is such a precious thing with your memory on my mind

G7 **Gm** **F**
Asleep oh please let me fall asleep it s so peaceful when I sleep
C **G7** **Gm**
Until morning nothing matters asleep if I could only fall asleep
F **C**
It s like heaven when I sleep until morning I will hold her

G7 **Gm**
I hate to see the sun go down and face another night
F **C**
I watch the shadows climb the wall as they try to catch the light
G7 **Gm** **F**
Asleep oh please let me fall asleep it s so peaceful when I sleep
C
Until morning nothing matters

G7
Asleep (I lie awake in my lonely bed)
Gm
If I could only fall asleep (in a room without a light)
F
It s like heaven when I sleep (trying hard to find a dream)
C
Until morning I forget her (that gets me through the night)

G7
Asleep (I hate to see the sun go down)
Gm
Oh now let me fall asleep (face another night)
F
It s so peaceful when I sleep (I watch the shadows climb the wall)
C
Until morning doesn t matter (as they try to catch the light)
G7 **Gm** **F** **C**
