

Dont Forget To Cry
The Everly Brothers

Donâ€™t Forget To Cry

Intro: **G# B E D#**

G# **C7**
You always said you d shed a million teardrops
Fm **G#** **G#7**
If we should part, if ever we should part
C# **D#** **G# F# F**
But now you re gonna leave me high and dry-y-y
Bbm **D#** **G# B E D#**
Goodbye baby, don t forget to cry

You said your tears would build a brand new river
If we were through, if ever we were through
But now somebody new has caught your eye
Goodbye baby, don t forget to cry
