

Hard Hard Year
The Everly Brothers

Hard Hard Year

F#m **B**
Bad times, something s wrong
F#m **B**
Money s gone, on my own
F#m **B**
Can t stay, there s nothing here
F#m **B** **C#**
Been a hard, hard year

F#m **B**
First month, snows came
F#m **B**
Put me in bed, couldn t work the same
F#m **B**
Job s gone, bills are here
F#m **B** **C#**
Been a hard, hard year

D#m **G#m** **D#m**
If I look on the bad side of life
 G#m **D#m**
Iâ€™ll lose heart and then Iâ€™ll want to die
 B **D#m**
So I ve got to get back on my feet
 B **D#m**
And prove to myself I m a man

Instrumental verse

I hope that the bad times have gone
It s been rough but I think that I ve won
Now I m happy and I ll never be that way again
No, I ll never be that way again

Snow s gone, spring s here
Won t happen twice, I ve seen my way clear
Everyone s paid, got no one to fear
Been a hard, hard year
Been a hard, hard year
