

Im Thinking It Over
The Everly Brothers

Iâ€™m Thinking It Over

E **B** **D**
All of a sudden you make up your mind
A **G#m**
Tell me that you love me and have always been mine
C#m **A** **B**
But things are changing, Iâ€™m not so blind
E **Bm** **A**
Iâ€™m thinking it over
E **D** **A**
Yah dah dah, yah dah dah, dah

Itâ€™s funny how tables turn, now wouldnâ€™t you say
Things are getting sticky dear itâ€™s whoâ€™s gonna stay
I guess it feels quite strange to come back and find
Iâ€™m thinking it over
Yah dah dah, yah dah dah, dah

E **C** **G** **D**
The uncertain look I see in your eyes has been in mine too long
A **C** **G** **D**
The feeling you have when you look at the floor isnâ€™t mine anymore
E **Bm** **A**
Iâ€™m thinking it over
E **D** **A**
Yah dah dah, yah dah dah, dah

You look like you need me I guess I should stay
Pick up the pieces dear and put them away
I hope you learned a lesson dear itâ€™s not too late
Iâ€™m thinking it over
Yah dah dah, yah dah dah, dah

PS: Don Everly s solo song
