

**Its All Over**  
**The Everly Brothers**

It's All Over

**D**            **E**        **G**            **D**  
It s all over, didn t even cry  
**C**            **Em**        **A**                    **D**  
I just stopped living when you said goodbye

It s all over, didn t feel a thing  
I just stopped living, couldn t stand the pain

**A**                    **D**                    **A**                    **D**  
Hair of gold like leaves in September, lips as fresh as spring  
**Em**                    **F#m**                **G**                    **A**                **A7**  
Love that warms like summer sun shouldn t die when winter comes

It s all over...
