

Love Is Where You Find It  
The Everly Brothers

Love Is Where You Find It

Chorus:

**D D# D**  
Love is where you find it  
**D# D D# D D# D D#**  
Don't be blind it's all around you everywhere  
**D D# D D#**  
Take it, take a chance now  
**D D# D D# D D# D D#**  
For romance now, tell the someone that you care

**F Gm F Gm**  
Spring love comes upon you when it's gone you feel despair  
**F Gm Cm7 A7**  
Soon though in the moon glow you'll find that a new love is there

Love is where you find it  
Fate designed it to be waiting everywhere

**Dm Gm**  
It may hide from you for a while  
**Dm Gm**  
It may come tonight in a smile

Chorus
