

Melody Train
The Everly Brothers

Melody Train

C#maj7 **C#7**
Let me take you far away from here
F#m **B**
High on a dream, halfway, to stardom
G **F#m** **E** **C**
Honesty grows in your garden

Chorus:
F **G#** **C#** **F#**
Hitch a ride on a melody train going down
F **G#** **C#** **F#**
Tie your eyes to the journey I made in my sound
C# **D#** **G#**
Each one is Kansas City bound

Tie the longhorn to the wagon wheels
Dust on the rise, cowboy and Dago
Blazin' a trail, to the rainbow

Chorus

PS: Don Everly s solo song
