

Omaha

The Everly Brothers

Omaha

E A D
It's hard to remember Pittsburgh properly

E A D
It's hard to recall what I did in D.C.

E A D
No vivid remembrance of things in L.A.

E A D E A D A
The times and the places have all slipped away

A G
It seems that I found everything that I wanted

D A
All in Omaha

G
Everything's there, my love and my laughter

D A
It's all in Omaha

A G D A
Aaaaaah, In Omaha, in Omaha

A G D A
Aaaaaah, In Omaha, in Omaha

C#m F#m
The rest of the world doesn't matter

Bm Bb
When you find what you're after

F C
Bells and candles, clocks that chime

G D
Ribbons glass, lights that shine

A E
Coloured paper, shiny beads

F#m C#m D
Everything that I need you gave to me

A G D A
In Omaha, in Omaha, in Omaha, in Omaha
