

Only Me

The Everly Brothers

Only Me

D# **Cm** **Bb**
Where is that part of me
 A **D** **G**
That keeps me from the precious things I feel
Em **Am**
Where is the heart of me
 D **Bb**
Who am I

D# **Cm** **Bb**
Where are those special wings
 A **D** **G**
Oh that fly me to the world thatâ€™s in your eyes
Em **Am**
I see it waiting there
 D **Bb**
Where am I

Where are those open doors
That let me in and never lose the key
Oh thatâ€™s where I should be
Next to you

Where is that dream of me
That used to seem so wonderful oh and real
Oh thatâ€™s what I should be
Only me

PS: Don Everly s solo song
