

**So Lonely**  
**The Everly Brothers**

So Lonely

**D#6**                      **G#sus4**                      **D#6 G#sus4**  
Every time I see you walking down the street with my girl  
**D#6**                      **G#sus4**                      **D#6 G#sus4**  
I get a funny feeling when I see you out with my girl

Chorus:

**C#**              **Fm**  
I get so lonely  
**C#**              **B**                      **C#**  
I get so lonely without you  
**B**                      **C#**  
I get lonely for you

See you everyday and now I realize you re not mine  
I know I just can t think of anything to do with my time

Chorus

**Fm**              **C#**                      **Fm**              **C#**  
Waiting, oh how Iâ€™m waiting  
**Fm**              **C#**                      **Fm**  
Waiting for your loving,  
**F#j7**                                      **Fm**  
To keep me satisfied forever  
**F#j7**                                      **Fm**  
To keep me satisfied forever

If you get tired of her, just send her right on back to my arms  
And then we ll start anew and know that we never will part

Chorus
