The Collector

Em7 **A** **Am7** **Em**
Iâ€™m a collector of beautiful things

Em7 **A** **Am7** **Em**
I capture and keep them and pin down their wings

Em **Am** **F#7** **Em**
Red butterflies, green dragonflies,

F **Bb** **E** **Am7** **F#7** **B7**
Pretty blue beetles but she will be my most precious prize

Iâ€™m a collector...

No longer free, she begs to be free

With no-one to help her, sheâ€™ll learn to care depending on me

Iâ€™m a collector of beautiful things

And I have collected a beautiful dream
