

When Eddie Comes Home
The Everly Brothers

When Eddie Comes Home

Dm **C** **F** **G** **C**
When Eddie comes home I wonder what youâ€™ll do
 F **G** **C** **Bm7**
When you finally have to choose between the two
 C **Bm7** **C** **F**
When you have to say whoâ€™s to go and whoâ€™s to stay
 Bb **F** **D#** **Dm**
Will you be gone when Eddie comes h-o-ome

C **F** **G** **C**
When Eddie comes home I wonder what youâ€™ll say
 F **G** **C** **Bm7**
You can only go one way which will it be
 C **Bm7** **C** **F**
When you have to say whoâ€™s to go and whoâ€™s to stay
 Bb **F** **D#**
Will you leave me alone when Eddie comes ho-ome

G#
You got to be a woman about it
Gm
And when he calls your name
G#
I aim to see that you make up your mind
 Gm **F** **D#**
And I know heâ€™d feel the sa-ame

When Eddie comes home someone will have to cry
Someone will say goodbye who will it be
Is it him or me Iâ€™ve got to know whoâ€™ll be standing alone
When Eddie comes home, when Eddie comes home
When Eddie comes home, when Eddie comes home
