

Why Not
The Everly Brothers

Why Not?

Chorus:

F

Why not? Why not?

C7

Why not let me love you, darling?

F

Why not let me love you dear?

F

I come to you with open arms dear

C7

But you wonâ€™t let my arms near you

You put me down and how you shun me

Bb C7

Why do you do this to me honey?

Chorus

One thing for certain ainâ€™t no maybe

This stalling bit is hurtinâ€™ baby

Have you changed so that you now hate me

Is that the reason you wonâ€™t date me?

Chorus

Have I done something to offend you?

Have I done something
