

**Why Not**  
**The Everly Brothers**

Why Not?

Chorus:

**F**

Why not? Why not?

**C7**

Why not let me love you, darling?

**F**

Why not let me love you dear?

**F**

I come to you with open arms dear

**C7**

But you won't let my arms near you

You put me down and how you shun me

**Bb C7**

Why do you do this to me honey?

Chorus

One thing for certain ain't no maybe

This stalling bit is hurtin' baby

Have you changed so that you now hate me

Is that the reason you won't date me?

Chorus

Have I done something to offend you?

Have I done something
