

**Why Not**  
**The Everly Brothers**

Why Not?

Chorus:

**Eb**

Why not? Why not?

**Bb7**

Why not let me love you, darling?

**Eb**

Why not let me love you dear?

**Eb**

I come to you with open arms dear

**Bb7**

But you wonâ€™t let my arms near you

You put me down and how you shun me

**G# Bb7**

Why do you do this to me honey?

Chorus

One thing for certain ainâ€™t no maybe

This stalling bit is hurtinâ€™ baby

Have you changed so that you now hate me

Is that the reason you wonâ€™t date me?

Chorus

Have I done something to offend you?

Have I done something
