The Expendables

I don t wanna go to work
C G
I just wanna lie in bed all day
Am F C
Working for minimum wage
G
Ain t too good of pay
Am F
You know I d rather be
C G
Oooh In the sea
Am F
That s where I belong
C
Or maybe with my band
G
Jammin on this reggae song
Am F
But it s time to go to work now
Am F
Maybe I ll call in sick
Am F
Or maybe heaven will fall to Earth
Am F
Better make it quick
Am G
I go on through my days
C G
Oooh like a man in a drunken haze
Am F
Life will find a way
C G
No matter what they say
Am F
I tossed and turned all night
C G
Oooh there s sand in my bed
Am F
I try to make it right
C G
But I ll forget about it instead
Am F
Boss is calling me
C G
But I pretend that I m asleep

Am **F**
My life is fallin fallin
C **G**
I m in trouble deep
Am **F**
Maybe I ll talk to God
Am **F**
But will he talk to me
Am **F**
And I m trying to be strong now
Am **F**
But I m so damn weak
Am **G**
I sit in bed and sigh
C **G**
Oooh they d miss me if I die
Am **G**
Life will find a way
C **G**
No matter what they say
Am **F**
I go on through my days
C **G**
Like a man in a drunken haze
Am **F**
Life will find a way
C **G**
No matter what they say
Am **F**
Life will find a way
C **G**
No matter what they say
Am **F**
