Song :Troops of of tomorrow
Disk: Troops of tomorrow
Artist: The Exploited

I hadn t tab the specials part and the solo who are easy to figure out.
There is only the general pattern of the song

Chords used:

G# B A#
e--4--2--1-----
B--4--4--3-----
G--5--4--3-----
D--6--4--3-----
A--6--2--1-----
E--4-----

The main pattern is just about a repetition of those chords
G# B and A# in this order

G# can also be change for a G#m, G#m7 or G#m5 in some occasion to put
emphasis
on it because it s the chord who is play longer than the other.
