Intro- **D A G D A G A G A G D**

First verse

**D** **A G**  
There s movement in the distance  
**D** **A G**  
Gunshots are all I hear  
**D** **A G** **D** **A G**  
corruption,greed,and feud are all I see  
**D** **A G**  
you re in a disarray  
**D** **A G**  
things used to be a different way  
**D** **A G** **D**  
whatever happened to the golden age

Pre-chorus

**D** **A G**  
It s gone yeah it s gone away  
N.C.  
So don t ever turn your back again  
  
(one false move and we re all dead)

Chorus

**D** **A G**  
Here I am,here I am,here I am  
**A G D**  
I m back at the crossroads again  
**D A G**  
Let me stand,let me stand,let me stand  
**A G D**  
On top of the mountain again

2nd verse

**D** **A G**  
 There s movement in the distance  
**D** **A G**  
 Gunshots are all I hear  
**D** **A G** **D** **A G**  
 This petty resistance is all I see  
**D** **A G**  
 I want to walk away  
**D** **A G**  
 Remember better days  
**D** **A G** **D**  
 We watch the death of something beautiful

#### Pre-chorus

**D** **A G**  
 It s gone yeah it s gone away  
 N.C.  
 So don t ever turn your back again

(one false move and we re all dead)

#### Chorus

**D** **A G**  
 Here I am,here I am,here I am  
**A G D**  
 I m back at the crossroads again  
**D A G**  
 Let me stand,let me stand,let me stand  
**A G D**  
 On top of the mountain again

**D A G D A G A G A G D**

#### Bridge

**D A G**  
 When we find a problem  
**D A G**  
 We never look back and say  
**D A**  
 One chance, one moment  
**G D**  
 It s gone so easily

## Outro

**D**                **A**                **G**  
Here I am, here I am, here I am  
**A**                **G**                **D**  
I m back at the crossroads again  
**D**                **A**                **G**  
Let me stand, let me stand, let me stand  
**A**                **G**                **D**  
On top of the mountain again

(Repeat once)
