Like She Said - The Exponents

Tabbed by:JK63
Email:JRK-1993@hotmail.com

Tuning: standard

Intro:

```
e|-7--7--7--7h9p7-----|
B|--7--7--7-----7----|
G|-----|
D|-----|      INTRO X 2
A|-----|
E|-----|
```

Verse :

```
G#m           E           B           F#
If it could have been like she said, I d be holding her now
G#m           E           B   F#
wouldn t have to live like I do as August moves on
G#m           E           B           F#
If it could have been like she said, our truth would be true
G#m           E           B           F#
watching the storm disappear, yeah watch it go
```

Pre-chorus:

```
A           B
If it could have been like she said
C#          E
If it could have been like she said
```

Chorus:

```
B           F#
I d make some sense of all the nonsense
G#m          E
have no guilt within my conscience
B           F#
not broken up, broken down,
G#m          E
with you right here, with you around
```

Verse 2:

G#m **E** **B** **F#**
If it could have been like she said I d be loving you now
G#m **E** **B** **F#**
wouldn t have to dream of July as August moves on
G#m **E** **B** **F#**
If it could have been like she wrote our truth would be true
G#m **E** **B** **F#**
watching the storm disappear, yeah watch it go

thats it
the song goes
