another easy one. just chords again.

**G** **C**  
Slit my throat from ear to ear and drink my blood like wine  
**G** **C**  
i ain t afraid of living, boy and i ain t afraid to die  
**G** **C**  
i ain t no goddamn vampire and i ain t leaking tears  
**G** **C**  
its not about them photographs or shouting out them beers  
**D** **C**  
i ve stood out that corner and i ve waited for that man  
**D** **C**  
i ve felt that beat pump through my veins as the money changed its hands  
**G** **D** **E** **C**  
i ve walked these lonely city roads and i ve climbed these purple hills  
**G** **D** **C**  
i ve stood itching and waiting, god damn  
**G C G C**  
goddamn, i m waiting still

**G** **C**  
have you ever felt the sunrise in twitching, aching arms  
**G** **C**  
or held your black spots in you palm and squeezed and loved them hard?  
**D** **C**  
my city s so forgiving but this life, it ain t no living  
**G C G C**  
take me home

**E** **D** **C**  
you never cry in bottles you cry when you get home  
**E** **D** **C** **D**  
when you watch your life walk out the door and you fall asleep alone  
**E** **D** **C**  
i got my shit together but lord knows where i m going  
**G** **C G C**  
take me home

GG C B A G

Goddamn!
