

Tuning: EADGB_e (standard)

there are two guitar parts. im not sure which guitar plays the intro, but i guess that really matter. the rythm guitar is shown as chords above the tablature. strum the E5 times followed by A5 four times. you could substitute the power chords for the Em and A barre chords if you prefer.

lyrics:
=====

hey hey hey

hey hey hey hey
i know, i know, i know I know?

in the cars or on the street
if you smile you are a creep
if you don t say it s very cold
you are drunk or too old

they say what about the meek?
i say they ve got a bloody cheek
vanity and presumption

living in the hard porn shop lately
i say hey hey hey
touch Sensitive

i know, i know, i know ?

and you re dying for a pee
so you go behind a tree
and a star wars police vehicle pulls up
i say gimme a taxi

touch Sensitive
touch Sensitive

if you don t say it s very cold
you are drunk or too old
it s touch sensitive

in the cars or on the street
if you smile you are a creep
it s touch tensitive

if you don t say it s very cold
you are touch sensitive

touch sensitive
say hey hey hey?

I know, I know, I know?
