

Touch Sensitive  
The Fall

Tabbed by: acoustic-fish

Tuning: EADGBE (standard)

im surprised there isnt already a tab for this song... i cant find one anywhere on the so i decided to give it a go...

therre are two guitar parts. im not sure which guitar plays the intro, but i guess that really matter. the rythm guitar is shown as chords above the tablature. strum the E5 times followed by A5 four times. you could substitute the power chords for the Em and A barre chords if you prefer.

intro: (second guitar plays chords)

lyrics:

=====

hey hey hey

hey hey hey hey

i know, i know, i know I know?

in the cars or on the street  
if you smile you are a creep  
if you don t say it s very cold  
you are drunk or too old

they say what about the meek?  
i say they ve got a bloody cheek  
vanity and presumption

living in the hard porn shop lately  
i say hey hey hey  
touch Sensitive

i know, i know, i know ?

and you re dying for a pee  
so you go behind a tree  
and a star wars police vehicle pulls up  
i say gimme a taxi

touch Sensitive  
touch Sensitive

if you don t say it s very cold  
you are drunk or too old  
it s touch sensitive

in the cars or on the street  
if you smile you are a creep  
it s touch tensitive

if you don t say it s very cold  
you are touch sensitive

touch sensitive  
say hey hey hey?

I know, I know, I know?
