Fishing For Lisa
By The Feelers

This is my first tab ever, so geeze, sorry if I?m wrong.

Chords Used:

Bm	D	A	G
X24432	XXX232	XX222X	32XX33

Intro:

Bm ? D ? A ? G

Play the same chord pattern all the way thru

Bm	D	A	G
I?m fishing for Lisa,	Like a meeting in the water	lost,	
Bm	D	A	G
I should have known better,	now I sit here trying to count my loss		

When you get to the chorus bit----

A	G
I thought you were my reason to live??	play A and G

That?s it!
