Even as the sun hits the morning breeze,

C

Warming up the chill as it moves the trees,

Tell me will you come for a stroll with me,

All you ever do is say no.

If I took a line from your favorite song,

Wrote it in the sky with the stars that shone,

I could never get you to sing along,

All you d ever do is say nooooo.

Ooh oh, say nooo. Ooh oh, say nooo. Ooh oh, say nooo. Ooh oh

Piano Solo
(Same as Piano Intro)

I dream about a world only we can know,

Dream about a car and a dog in tow,

Dream about the places that we can go,

But all you ever do is say no.

I must be a fool cause I play this game,

Shakin off the dust and I try again,

Tell me what I did to deserve these blows,

All you d ever do is say nooooo.

Ooh oh, say nooo. Ooh oh, say nooo. Ooh oh, say nooo. Ooh oh
