Ruby Mae The Felice Brothers

Capo on 6th

```
(Am)Her name (C) was (G)ruby mae (C)
(Am)she danced (C) the (G)cabaret (C)
(Dm) such a (G)lovely (C) girl was she (Am)
(F)that (G) ruby (C) mae
```

Same progression throughout.

Little interlude near the end is a D chord shape but 1 string up. So ring finger is on

the g string instead of the b, middle finger on the b instead of the ${\tt E}$ and index finger

on the D instead of the G.
