What d you think you are doing? What do you think you re doing? Waiting, waiting for you

I want you to dress and go
No, you don t mind, do you? Don t...
I wouldn t know what to do

Wet kisses in the morning

Of never seeing you again I am scared to death I am a-scared to death

Come with me, oh I can just
Picture me with your (self?)
Send me a postcard, bring me (down?)
Ride with me to the next station
I wanna spend
Another half hour with you
