**Dm** **F**  
well i ve been here in this car  
**Gm** **C**  
goin over what went wrong  
and every time it gets like this  
i ll calm you down you mark your list  
but if you go and if you re gone  
well god i don t know what i could ve done  
that ll make it clear i need you here  
baby you re the only one

**Dm** **F**  
so pour it out and pour it out  
**Gm**  
i m letting go of everything  
**C**  
i miss you more then anything  
pour it out and pour it out  
baby what if you could be  
something i can t ever be

but hey i ve been here  
steady like a stone  
but all my weight is all for you  
so stand on me or let me roll

pour it out and pour it out  
i miss you more then anything  
i m letting go of everything  
pour it out and pour it out  
baby its time that i get home

pour it out and pour it out  
i miss you more then anything  
i m letting go of everything

well pour it out and pour it out  
baby it s time that i get home
