The Flaming Lips
Always There...In Our Hearts - Chords
The Terror

Like most of The Terror, this song is built off of just a few chords.

Intro (0:00-0:24)

Dm

Verse 1 (0:24-1:59)

Dm

Always there, in our hearts,
Fear of violence and of death
Always there, in our hearts,
There is love and there is pain
Always there, in our hearts,
There is evil that wants out
Always there, in our hearts,
There are sorrows and sadness
Always there, in our hearts,
Never understanding
Always there, in our hearts,
Something pure that we can t control
Can t control, can t control, can t control

To play the scratchy guitar part that starts around 1:50,
just play this chord over and over:

E|-10-|
B|-10-|
G|-10-|
D|-12-|
A|----|
E|----|

Unsurprisingly, this chord is also D minor.
