

**Its Summertime**  
**The Flaming Lips**

Generally ok to play but the lyrics don't automatically match the chord changes so be careful with timing. Listen to the actual track as you read the tab to see what I mean.

(Intro)- **Am Am D G G**

**D** **G**  
It s summertime  
**G** **F#** **Bm**  
And I-can understand if you  
**E** **G**  
Still feel sad

**D D**

**D** **G**  
It s summertime  
**G** **F#** **Bm**  
And though it s hard to see it s true  
**E** **G**  
Possibili ties

**D D**

**A** **G** **Gm**  
Look inside  
**D** **D**  
All you ll see  
**A** **G** **F#**  
Look inside  
**F#**  
All you ll see  
**G** **A** **Bm** **C**  
is a self reflected inner sadness

(Instrumental) **D-F#m-A-D-Gm-A-**

**G** **G** **D** **E**  
Look outside  
**Em** **A** **G**  
I ll know that you ll recognise  
**D**  
It s summertime

G            G            D            E

Look outside

Em                    A                    G

I ll know that you ll recognise

D

It s summertime
