as it tries to comfort your sadness

Chorus:  
(no Chrd) C#m7  
one more robot learns to be (be beee)  
G(?) D  
something more than a machine (chineeee)

when it ??????  
makes it seem like it can love

Cuz its hard to say whats real  
when you know the way you feel  
is it wrong to think its love  
when its

Verse 2:  
Feelin a synthetic kind of love  
dreamin a sympathetic wish  
as the lights move faster and brighter

Chorus:
