is warmin

**Bm C#m7**

makes a hummin sound

**F#m C#m7 Bm C#m7**

(aahhh) when its circuits duplicate

**F#m C#m7 Bm C#m7**

emotion (Emotion, Emotion, Emotion)

**Bm C# A Bm**

and the sense of coldness detaches

**F#m C# A Bm**

as it tries to comfort your sadness

Chorus:

(no Chrd) **C#m7**

one more robot learns to be (be beee)

**E(?) B**

something more than a machine (chineee)

when it ??????

makes it seem like it can love

Cuz its hard to say whats real

when you know the way you feel

is it wrong to think its love

when its

Verse 2:

Feelin a synthetic kind of love

dreamin a sympathetic wish

as the lights move faster and brighter

Chorus:
