A

Is that gash in your leg really why you have stopped
Cause I ve noticed all the others though they re gashed they re stiull going
D
cause I feel like the real reason that you re quitting is that you re admitting
A G A
that you ve lost all the will to battle on

Chorus:

D E
Will the fight for sanity
C#m F#m
Be the fight of our lives
D E
Now that we ve lost all the reasons
C#m E
That we thought that we had

Verse:

A
Still the battle that we re in rages on til the end
E
With the explosions words are open sights and smells
D
eyes and noses, but the thought that went unspoken
A
was understanding that you re broken - still the last
G A G
volunteer battles on,
A G
battles on,
A
battles on...
