**Bb**

Is that gash in your leg really why you have stopped  
Cause I ve noticed all the others though they re gashed they re stiull going  
**Eb**  
cause I feel like the real reason that you re quitting is that you re admitting  
**Bb G# Bb**  
that you ve lost all the will to battle on

Chorus:

**Eb F**  
Will the fight for sanity  
**Dm Gm**  
Be the fight of our lives  
**Eb F**  
Now that we ve lost all the reasons  
**Dm F**  
That we thought that we had

Verse:

**Bb**  
Still the battle that we re in rages on til the end  
**F**  
With the explosions words are open sights and smells  
**Eb**  
eyes and noses, but the thought that went unspoken  
**Bb**  
was understanding that you re broken - still the last  
**G# Bb G#**  
volunteer battles on,  
**Bb G#**  
battles on,  
**Bb**  
battles on...
