

When You Smile
The Flaming Lips

First tab. Let s see how it goes.

D **G A**
It s like I never had to see it in your eyes or feel it, I could tell

D
when you smile.

D **G A**
It s like I didn t need to say anything or do much, I could tell

D
When you smile

G **A** **D** **A Bm**
All of the subatomic pieces come together and

G **A** **D**
Unfold themselves in a second...

D
Every single molecule is right, when

G **A** **D** **A Bm**
All of the subatomic pieces come together and

G **A** **D**
Unfold Themselves in a second.
