Lovers Never Say Goodbye by The Flamingos

I figured this out when I was messing around at my grandparents house. VERY EASY So here it is.

G **D** **G**
Please wait for me, for i shall return. My love for you, will forever
 D **B7** **D7** **G** **D**
burn, though we must part there s no reason to cry, just say so long
 G **G** **D**
because lovers never say goodbye. I love you my darling, more than
 G **D** **D7**
life itself, i wouldn t try to hurt you, for i d only be hurting
G then open strum **G** **D**
myself, just kiss me dear, and hold me tight, for you know this is
 D **G** **D** **G** **D**
not our last night, though we must part, there s no reason to cry,
G **D** **D** **G** **G**
just say so long , because lovers never say goodbye. Never say
D **D**
goodbye, goodbye.
