These Words Are Like Bullets The Flatliners

I couldn t find this tab anywhere and have never posted one before so if it s wrong, fix

If it s right, enjoy. Part of the bridge is missing, I know.

F# F A

Cover your blackened eyes, and forget about this mess

If I haven t destroyed every little thing...

We could leave in the middle of the night

With the worst behind us

Α

WE ll smoke these days away until the day we die

F#,A/Em D

You better stop before you hurt yourself

F#,A EM D

These words are bullets, have you caught one yet?

F# F

Don t give me those sunken eyes

A G# G F#

This train is racing my heartbeat

F

The lights all slowly fade and stop, stop at a glow

}# F

Just give me what I need, I ll swallow anything you know

F#

I don t wanna die empty

A G# G

A/Em D

I don t wanna live along the lines of ruining everybody s lives

A F#

We are the dead generation on a heart attack mission

) A 1

We re the black-eyed population making heart attack decisions

F#/A/Em I

We better stop before we hurt ourselves

F#,AEmD

These words are bullets, have you caught one yet?
